Objective/Highlights

My objective is to utilize my personal and professional experience to further the goals of my clients and employers through the use of effective visual communications.

Primary expertise in Interactive Design, Web and Print production, Flash Design, Online Retail Sales and Marketing, Html Emails, Color and Typography.

Excellent working knowledge of Illustrator Photoshop, Quark, Flash (Fuse, video and audio implementation, intermediate Action Scripting and XML). Proficient in Mac and Microsoft platforms.

Proven ability to meet deadlines.

Professional client experience.

Effective interpersonal skills.

Experience

Graphic Designer - The Silverlign Group
San Jose, CA

April 2005 - Current

Designed and produced websites for a variety of clients like Williams-Sonoma, Levis and Dockers. Conceptualized and created unique, results-oriented solutions for our clients communication and brand awareness problems.

Freelance Graphic Design

February 2004 - April 2005

Used my technical and creative skills to provide independent design, production and art direction for my clients.

Design Intern - Madden Publishing
Tucson, AZ

September 2001 - January 2002

Designed printed media. Utilized a range of typography appealing to specific audiences for publications like Tucson Home and Tucson Guide.
